## **ORDER**

**“Per Hon’ble Mr. Justice Umesh Chandra Srivastava, Member (J)”**

1. The instant Original Application has been filed under Section 14 of the Armed Forces Tribunal Act, 2007 for the following reliefs :-

- (i) *To quash the order dated 31.05.2021 which is annexed as Annexure No. 1 to this original application.*
- (ii) *To pass an order or direction commanding the respondents to grant the benefits disability pension to the applicant from the next date of discharge i.e. 01.03.2017 @60% per annum along with interest @12% per annum till the actual realization of said amount.*
- (iii) *To pass an order or direction commanding the respondents to grant the benefits of rounding off the disability pension upto tune of 75% for life, in terms of Govt. of India letter dated 31.01.2001 and various Judgment of Apex Court as well as this Hon’ble Tribunal.*
- (iv) *Pass any order which this Hon’ble Tribunal deem fit and proper under the facts and circumstances of the case in favour of the petitioner, in the interest of justice.*
- (v) *Allow the Original Application with cost.*

2. Briefly stated, applicant was enrolled in the Indian Air Force on 28.02.1978 and was discharged on 28.02.2017 in Low Medical Category on attaining the age of superannuation. At the time of discharge from service, the Release Medical Board (RMB) held at

Air Force Station, Kanpur on 06.05.2016 assessed his disabilities (i) '**PRIMARY HYPERTENSION (OLD) I 10**' @ 30% for life, (ii) '**DM TYPE – II E 11.0**' @20% for life and (iii) '**RT RENAL CALCULUS (PCNL DONE) (OLD) N 20**' @20% for life, **composite disabilities @60% for life** and opined the disabilities to be neither attributable to nor aggravated (NANA) by service. The applicant's claim for grant of disability pension was rejected vide letter dated 28.09.2016. The applicant preferred First Appeal which was accepted for third disability i.e. '**RT RENAL CALCULUS (PCNL DONE) (OLD) N 20**' as aggravated by service vide letter dated 11.04.2019. Accordingly, the applicant has been granted disability element of disability pension @20% for life which has been rounded off to @50% for life. But for the first and second disabilities disability element has not been granted. For the first and second disabilities the applicant preferred Second Appeal which too was rejected by the respondents vide letter dated 31.05.2021. It is in this perspective that the applicant has preferred the present Original Application.

3. Learned Counsel for the applicant pleaded that at the time of enrolment, the applicant was found mentally and physically fit for service in the Air Force and there is no note in the service documents that he was suffering from any disease at the time of enrolment in Air Force. All the diseases of the applicant were contacted during the service, hence they all are attributable to and

aggravated by Air Force Service. He pleaded that various Benches of Armed Forces Tribunal have granted disability pension in similar cases, as such the applicant be granted disability element of disability pension for the first and second disabilities also as well as arrears thereof, as applicant is also entitled to disability element of disability pension and its rounding off to 75%.

4. On the other hand, Ld. Counsel for the respondents contended that since the third disability has been accepted as aggravated by service by the respondents while deciding the First Appeal vide letter dated 11.04.2019. He further contended that first and second disabilities of the applicant have been regarded as NANA by the RMB, hence applicant is not entitled to disability element of disability pension for the first and second disabilities. He pleaded for dismissal of the Original Application.

5. We have heard Ld. Counsel for the applicant as also Ld. Counsel for the respondents. We have also gone through the Release Medical Board proceedings as well as the records and we find that the questions which need to be answered are of two folds:-

- (a) Whether the first and second disabilities of the applicant are also attributable to or aggravated by Air Force Service?

- (b) Whether the applicant is entitled for the benefit of rounding off the disability element of disability pension?

6. The law on attributability of a disability has already been settled by the Hon'ble Supreme Court in the case of ***Dharamvir Singh Versus Union of India & Others***, reported in (2013) 7 Supreme Court Cases 316. In this case the Apex Court took note of the provisions of the Pensions Regulations, Entitlement Rules and the General Rules of Guidance to Medical Officers to sum up the legal position emerging from the same in the following words.

*"29.1. Disability pension to be granted to an individual who is invalided from service on account of a disability which is attributable to or aggravated by military service in non-battle casualty and is assessed at 20% or over. The question whether a disability is attributable to or aggravated by military service to be determined under the Entitlement Rules for Casualty Pensionary Awards, 1982 of Appendix II (Regulation 173).*

*29.2. A member is to be presumed in sound physical and mental condition upon entering service if there is no note or record at the time of entrance. In the event of his subsequently being discharged from service on medical grounds any deterioration in his health is to be presumed due to service [Rule 5 read with Rule 14(b)].*

*29.3. The onus of proof is not on the claimant (employee), the corollary is that onus of proof that the condition for non-entitlement is with the employer. A claimant has a right to derive benefit of any reasonable doubt and is entitled for pensionary benefit more liberally (Rule 9).*

*29.4. If a disease is accepted to have been as having arisen in service, it must also be established that the conditions of military service determined or contributed to the onset of the disease and that the conditions were due to the*

*circumstances of duty in military service [Rule 14(c)]. [pic]*

*29.5. If no note of any disability or disease was made at the time of individual's acceptance for military service, a disease which has led to an individual's discharge or death will be deemed to have arisen in service [Rule 14(b)].*

*29.6. If medical opinion holds that the disease could not have been detected on medical examination prior to the acceptance for service and that disease will not be deemed to have arisen during service, the Medical Board is required to state the reasons [Rule 14(b)]; and 29.7. It is mandatory for the Medical Board to follow the guidelines laid down in Chapter II of the Guide to Medical Officers (Military Pensions), 2002 - "Entitlement: General Principles", including Paras 7, 8 and 9 as referred to above (para 27)."*

7. In view of the settled position of law on attributability, we find that the RMB has denied attributability to the applicant only by endorsing that the first and second disabilities '**PRIMARY HYPERTENSION (OLD) I 10**' '**DM TYPE – II E 11.0**' are neither attributable to nor aggravated (NANA) by service on the ground of onset of these disabilities on 10.02.2013 and 15.08.2013 while posted in Peace location (Jodhpur), therefore, applicant is not entitled to disability element of disability pension for first and second disabilities. However, considering the facts and circumstances of the case, we are of the opinion that this reasoning of Release Medical Board for denying disability element of disability pension to applicant for first and second disabilities is not convincing and doesn't reflect the complete truth on the matter. Peace Stations have their own pressure of rigorous Air Force

training and associated stress and strain of Air Force service. The applicant was enrolled in Indian Air Force on 28.02.20178 and the disability have started after more than 35years of Air Force service i.e. on 10.02.2013 and 15.08.2013. We are therefore of the considered opinion that the benefit of doubt in these circumstances should be given to the applicant in view of ***Dharamvir Singh vs Union of India & Ors*** (supra), and the first and second disabilities of the applicant should also be considered as aggravated by Air Force service.

8. The law on the point of rounding off of disability pension is no more RES INTEGRA in view of Hon'ble Supreme Court judgment in the case of ***Union of India and Ors vs Ram Avtar & ors*** (Civil appeal No 418 of 2012 decided on 10<sup>th</sup> December 2014). In this Judgment the Hon'ble Apex Court nodded in disapproval of the policy of the Government of India in granting the benefit of rounding off of disability pension only to the personnel who have been invalided out of service and denying the same to the personnel who have retired on attaining the age of superannuation or on completion of their tenure of engagement. The relevant portion of the decision is excerpted below:-

*“4. By the present set of appeals, the appellant (s) raise the question, whether or not, an individual, who has retired on attaining the age of superannuation or on completion of his tenure of engagement, if found to be suffering from some disability which is attributable to or aggravated by the military service, is entitled to be granted the*

*benefit of rounding off of disability pension. The appellant(s) herein would contend that, on the basis of Circular No 1(2)/97/D (Pen-C) issued by the Ministry of Defence, Government of India, dated 31.01.2001, the aforesaid benefit is made available only to an Armed Forces Personnel who is invalidated out of service, and not to any other category of Armed Forces Personnel mentioned hereinabove.*

5. We have heard Learned Counsel for the parties to the lis.

6. We do not see any error in the impugned judgment (s) and order(s) and therefore, all the appeals which pertain to the concept of rounding off of the disability pension are dismissed, with no order as to costs.

7. The dismissal of these matters will be taken note of by the High Courts as well as by the Tribunals in granting appropriate relief to the pensioners before them, if any, who are getting or are entitled to the disability pension.

8. This Court grants six weeks' time from today to the appellant(s) to comply with the orders and directions passed by us."

9. It is also observed that claim for pension is based on continuing wrong and relief can be granted if such continuing wrong creates a continuing source of injury. In the case of **Shiv Dass vs. Union of India**, reported in 2007 (3) SLR 445, Hon'ble Apex Court has observed:

*"In the case of pension the cause of action actually continues from month to month. That, however, cannot be a ground to overlook delay in filing the petition. It would depend upon the fact of each case. If petition is filed beyond a reasonable period say three years normally the Court would reject the same or restrict the relief which could be granted to a reasonable period of about three years. The High Court did not examine whether on merit appellant had a case. If on merits it*

*would have found that there was no scope for interference, it would have dismissed the writ petition on that score alone.”*

10. As such, in view of the decision of Hon'ble Supreme Court in the case of **Shiv Dass (supra)**, we are of the considered view that benefit of rounding off of disability pension @ 60% for life to be rounded off to 75% for life may be extended to the applicant from three preceding years from the date of filing of the Original Application.

11. In view of the above, the **Original Application No. 391 of 2021** deserves to be allowed, hence **allowed**. The impugned orders, to the extent rejecting the applicant's claim for grant of disability element for the first and second disabilities, are set aside. The first and second disabilities i.e. '**PRIMARY HYPERTENSION (OLD) I 10**' and '**DM TYPE – II E 11.0**' of the applicant are also held as aggravated by Air Force Service. Be it mentioned that third disability has already been accepted by the respondents as aggravated by service and applicant has already been granted disability element @20% rounded off to 50% vide PPO dated 27.12.2019. The applicant is entitled to get disability element @60% for life which would be rounded off to 75% for life w.e.f. three years preceding the date of filing of Original Application. The respondents are directed to grant disability element to the applicant @60% for life which would stand rounded off to 75% for life w.e.f. three years preceding the date of filing of Original Application. The

date of filing of Original Application is 19.07.2021. The amount of disability element already paid to the applicant shall be adjusted from the arrears to be paid to him. The respondents are further directed to give effect to this order within a period of four months from the date of receipt of a certified copy of this order. Default will invite interest @ 8% per annum till the actual payment

12. No order as to costs.
