**“Per Hon’ble Mr. Justice Ravindra Nath Kakkar, Member (J)”**

1. The instant Original Application has been filed under Section 14 of the Armed Forces Tribunal Act, 2007 for the following reliefs :-

- (I) *Hon’ble Tribunal may be pleased to set aside the Impugned Order dated 07.09.2008 (Annexure No. A-1), order dated 10.06.2011 (Annexure No. A-2) and order dated 11.01.2013 (received on 25.11.2019) (Annexure No. A-3).*
- (II) *Hon’ble Tribunal may be pleased to direct the respondents to grant disability element with effect from 01.06.2008 with the interest at the rate of 18% per annum.*
- (III) *Hon’ble Tribunal may be pleased to further to grant benefit of rounding of disability pension @50 Percent in terms of Ram Avtar’s Case.*
- (IV) *Any other appropriate order or direction which the Hon’ble Tribunal may deem just and proper in the nature and circumstances of the case.*

2. Briefly stated, applicant was enrolled in the Army Service Corps (Animal Transport) of Indian Army on 09.12.1989 and discharged on 31.05.2008 in Low Medical Category after completion of 18 years, 05 months and 19 days of service under Rule 13 (3) Item III (v) read in conjunction with Rule 13(2A) of the Army Rules, 1954. The applicant while serving with 890 AT Battalion ASC was initially diagnosed as a case of ‘OTOSCLEROSIS BILATERAL (OPTD)’ and he was placed in Low

Medical Category with effect from 23.08.1993 vide Military Hospital, Medical Board proceedings Categorization dated 23.08.1993. Thereafter, subsequent medical boards for categorization and re-categorization were carried out from time to time. At the time of discharge from service, the Release Medical Board (RMB) held at Command Hospital (Western Command), Chandimandir on 08.03.2008 assessed his disability '**OTOSCLEROSIS BILATERAL (OPTD)**' @40% for life and opined the disability to be neither attributable to nor aggravated (NANA) by service. The applicant's claim for grant of disability pension was rejected vide letter dated 07.09.2008. The applicant preferred First Appeal which too was rejected vide letter dated 10.06.2011 which was communicated to the applicant vide letter dated 29.06.2011. The applicant preferred Second Appeal which too was rejected vide letter dated 11.01.2013 which was communicated to the applicant vide letters dated 02.02.2013 and 25.11.2019. It is in this perspective that the applicant has preferred the present Original Application.

3. Learned Counsel for the applicant pleaded that at the time of enrolment, the applicant was found mentally and physically fit for service in the Army and there is no note in the service documents that he was suffering from any disease at the time of enrolment in Army. The disease of the applicant was contracted during the service, hence it is attributable to and aggravated by Military

Service. He pleaded that various Benches of Armed Forces Tribunal have granted disability pension in similar cases, as such the applicant be granted disability pension and its rounding off to 50%.

4. On the other hand, Ld. Counsel for the respondents contended that disability of the applicant @40% for life has been regarded as NANA by the RMB, hence as per Regulation 179 of the Pension Regulations for the Army, 1961 (Part-I) the applicant is not entitled to disability element of disability pension. He further contended that the applicant was continued retained in service in necessary shelter appointment in commensuration with his disability. Thereafter, as per Integrated Headquarters of Ministry of Defence (Army) letter dated 12.04.2007 amended vide letter dated 27.06.2007, wherein it was prescribed that the persons who have been placed in permanent low medical category and have rendered pensionable service (20 years in case of JCOs and 15 years in case of Ors) will proceed on retirement. Accordingly, the applicant was discharged with effect from 31.05.2008 and he was granted service pension apart from other terminal benefits. Thereafter, service pension of the applicant was revised in accordance with the policies as applicable from time to time. He pleaded for dismissal of the Original Application.

5. We have heard Ld. Counsel for the applicant as also Ld. Counsel for the respondents. We have also gone through the

records as well as Release Medical Board proceedings and we find that the questions which need to be answered are of two folds:-

- (a) Whether the disability of the applicant is attributable to or aggravated by Military Service?
- (b) Whether the applicant is entitled for the benefit of rounding off the disability element of disability pension?

6. The law on attributability of a disability has already been settled by the Hon'ble Supreme Court in the case of ***Dharamvir Singh Versus Union of India & Others***, reported in (2013) 7 Supreme Court Cases 316. In this case the Apex Court took note of the provisions of the Pensions Regulations, Entitlement Rules and the General Rules of Guidance to Medical Officers to sum up the legal position emerging from the same in the following words.

*"29.1. Disability pension to be granted to an individual who is invalided from service on account of a disability which is attributable to or aggravated by military service in non-battle casualty and is assessed at 20% or over. The question whether a disability is attributable to or aggravated by military service to be determined under the Entitlement Rules for Casualty Pensionary Awards, 1982 of Appendix II (Regulation 173).*

*29.2. A member is to be presumed in sound physical and mental condition upon entering service if there is no note or record at the time of entrance. In the event of his subsequently being discharged from service on medical grounds any deterioration in his health is to be presumed due to service [Rule 5 read with Rule 14(b)].*

*29.3. The onus of proof is not on the claimant (employee), the corollary is that onus of proof that*

*the condition for non-entitlement is with the employer. A claimant has a right to derive benefit of any reasonable doubt and is entitled for pensionary benefit more liberally (Rule 9).*

*29.4. If a disease is accepted to have been as having arisen in service, it must also be established that the conditions of military service determined or contributed to the onset of the disease and that the conditions were due to the circumstances of duty in military service [Rule 14(c)]. [pic]*

*29.5. If no note of any disability or disease was made at the time of individual's acceptance for military service, a disease which has led to an individual's discharge or death will be deemed to have arisen in service [Rule 14(b)].*

*29.6. If medical opinion holds that the disease could not have been detected on medical examination prior to the acceptance for service and that disease will not be deemed to have arisen during service, the Medical Board is required to state the reasons [Rule 14(b)]; and 29.7. It is mandatory for the Medical Board to follow the guidelines laid down in Chapter II of the Guide to Medical Officers (Military Pensions), 2002 - "Entitlement: General Principles", including Paras 7, 8 and 9 as referred to above (para 27)."*

7. In view of the settled position of law on attributability, we find that the RMB has denied the disability element of disability pension to the applicant endorsing that the disability of the applicant i.e. **'OTOSCLEROSIS BILATERAL (OPTD)'** was neither attributable to nor aggravated (NANA) by service on the ground not related with service, therefore, applicant is not entitled to disability element of disability pension. However, considering the facts and circumstances of the case, we are of the opinion that this reasoning of RMB for denying disability element of disability

pension to applicant is cryptic, not convincing and doesn't reflect the complete truth on the matter. The applicant was enrolled in Indian Army on 09.12.1989 and the disability has started after more than three years of Army service i.e. on 22.06.1993 and he was discharged from service on 31.05.2008. We are therefore of the considered opinion that the benefit of doubt in these circumstances should be given to the applicant in view of ***Dharamvir Singh vs Union of India & Ors*** (supra), and the disability of the applicant should be considered as aggravated by military service.

8. The law on the point of rounding off of disability pension is no more RES INTEGRA in view of Hon'ble Supreme Court judgment in the case of ***Union of India and Ors vs Ram Avtar & ors*** (Civil appeal No 418 of 2012 decided on 10<sup>th</sup> December 2014). In this Judgment the Hon'ble Apex Court nodded in disapproval of the policy of the Government of India in granting the benefit of rounding off of disability pension only to the personnel who have been invalided out of service and denying the same to the personnel who have retired on attaining the age of superannuation or on completion of their tenure of engagement. The relevant portion of the decision is excerpted below:-

*“4. By the present set of appeals, the appellant (s) raise the question, whether or not, an individual, who has retired on attaining the age of superannuation or on completion of his tenure of engagement, if found to be suffering from some disability which is attributable to or aggravated by the military service, is entitled to be granted the*

*benefit of rounding off of disability pension. The appellant(s) herein would contend that, on the basis of Circular No 1(2)/97/D (Pen-C) issued by the Ministry of Defence, Government of India, dated 31.01.2001, the aforesaid benefit is made available only to an Armed Forces Personnel who is invalidated out of service, and not to any other category of Armed Forces Personnel mentioned hereinabove.*

5. *We have heard Learned Counsel for the parties to the lis.*

6. *We do not see any error in the impugned judgment (s) and order(s) and therefore, all the appeals which pertain to the concept of rounding off of the disability pension are dismissed, with no order as to costs.*

7. *The dismissal of these matters will be taken note of by the High Courts as well as by the Tribunals in granting appropriate relief to the pensioners before them, if any, who are getting or are entitled to the disability pension.*

8. *This Court grants six weeks' time from today to the appellant(s) to comply with the orders and directions passed by us."*

9. Additionally, consequent upon the issue of Government of India, Ministry of Defence letter No. 17(01)/2017(01)/D(Pen/Policy) dated 23.01.2018, Principal Controller of Defence Accounts (Pensions), Prayagraj has issued Circular No. 596 dated 09.02.2018 wherein it is provided that the cases where Armed Forces Pensioners who were retired/discharged voluntary or otherwise with disability and they were in receipt of Disability/War Injury Element as on 31.12.2015, their extent of disability/War Injury Element shall be re-computed in the manner given in the said Circular which is applicable with effect from 01.01.2016.

10. It is also observed that claim for pension is based on continuing wrong and relief can be granted if such continuing wrong creates a continuing source of injury. In the case of **Shiv Dass vs. Union of India**, reported in 2007 (3) SLR 445, Hon'ble Apex Court has observed:

*“In the case of pension the cause of action actually continues from month to month. That, however, cannot be a ground to overlook delay in filing the petition. It would depend upon the fact of each case. If petition is filed beyond a reasonable period say three years normally the Court would reject the same or restrict the relief which could be granted to a reasonable period of about three years. The High Court did not examine whether on merit appellant had a case. If on merits it would have found that there was no scope for interference, it would have dismissed the writ petition on that score alone.”*

11. As such, in view of the decision of Hon'ble Supreme Court in the case of **Shiv Dass (supra)** as well as Government of India, Ministry of Defence letter No. 17(01)/2017(01)/D(Pen/Policy) dated 23.01.2018, we are of the considered view that benefit of rounding off of disability element of disability pension @ 40% for life to be rounded off to 50% for life may be extended to the applicant from three preceding years from the date of filing of the Original Application.

12. In view of the above, the **Original Application No. 218 of 2023** deserves to be partly allowed, hence **partly allowed**. The impugned orders, rejecting the applicant's claim for grant of disability element of disability pension, are set aside. The disability

of the applicant is held as aggravated by Army Service. The applicant is entitled to get disability element @40% for life which would be rounded off to 50% for life w.e.f. three years preceding the date of filing of Original Application. The respondents are directed to grant disability element to the applicant @40% for life which would stand rounded off to 50% for life w.e.f. three years preceding the date of filing of Original Application. The date of filing of Original Application is 21.02.2023. The respondents are further directed to give effect to this order within a period of four months from the date of receipt of a certified copy of this order. Default will invite interest @ 8% per annum till the actual payment.

13. No order as to costs.

14. Major Danish Farooqui, Departmental Representative orally submitted to grant Leave to Appeal against the above order which we have considered and no point of law of general public importance being involved in the case the plea is rejected.
