ORDER

“Per Hon’ble Mr. Justice Umesh Chandra Srivastava, Member (J)”

1. The instant Original Application has been filed under Section 14 of the Armed Forces Tribunal Act, 2007 for the following reliefs.

- (A) *To quash or set aside the Respondents letters dated 20.09.2019 and 30.08.2017 (Annexure A-1 & A-2 of OA respectively).*
- (B) *To issue order or directions to the respondents to grant disability pension to the applicant for the disability he had, with effect from 01.06.2017 (Date of discharge : 31.05.2017) with all consequential benefits including rounding off benefit from 30% to 50% in terms of Govt. Of India letter dated 31 Jan 2001 and Judgment passed by Hon’ble Apex Court in case of Ram Avatar Vs. Uol & Others.*
- (C) *Any other relief as considered proper by the Hon’ble Tribunal be awarded in favour of the applicant.*

2. Briefly stated facts of the case are that applicant was enrolled in the Indian Air Force on 08.05.1997 and was discharged on 31.05.2017 in Low Medical Category on fulfilling the conditions of his enrolment after rendering total 20 y3ars and 24 days of service. At the time of retirement from service, the Release Medical Board (RMB) held at 15 Wing Air Force on 01.07.2016 assessed his disabilities (i) **‘Obesity (Old) (Eyy/0, Z09.0’ @Nil**, (ii) **‘Hyper Cholesterolemia (Old) K72.2,Z09.0’ @1-5%** for life and (iii)

'Coronary Artery Disease STE AWMI (Old) 125.9,Z09.0' @30% for life, Composite assessment @30% for life and opined the disabilities to be neither attributable to nor aggravated (NANA) by service. The applicant approached the respondents for grant of disability pension but the same was rejected vide letter dated 30.08.2017. The applicant preferred First Appeal which too was rejected vide letter dated 20.09.2019. It is in this perspective that the applicant has preferred the present Original Application.

3. Learned Counsel for the applicant pleaded that at the time of enrolment, the applicant was found mentally and physically fit for service in the Air Force and there is no note in the service documents that he was suffering from any disease at the time of enrolment in Air Force. The disease of the applicant was contracted during the service, hence it is attributable to and aggravated by Air Force Service. He pleaded that various Benches of Armed Forces Tribunal have granted disability pension in similar cases, as such the applicant be granted disability pension as well as arrears thereof, as such the applicant is entitled to disability pension and its rounding off to 50%.

4. On the other hand, Ld. Counsel for the respondents contended that disabilities of the applicant @30% for life have been regarded as NANA by the RMB, hence applicant is not entitled to disability pension. He pleaded for dismissal of the Original Application.

5. We have heard Ld. Counsel for the applicant as also Ld. Counsel for the respondents. We have also gone through the Release Medical Board proceedings as well as the records. The questions which needs to be answered are of two fold :-

- (a) Whether the disabilities of the applicant are attributable to or aggravated by Air Force Service?
- (b) Whether the applicant is entitled for the benefit of rounding off the disability pension?

6. The law on attributability of a disability has already been settled by the Hon'ble Supreme Court in the case of ***Dharamvir Singh Versus Union of India & Others***, reported in (2013) 7 Supreme Court Cases 316. In this case the Apex Court took note of the provisions of the Pensions Regulations, Entitlement Rules and the General Rules of Guidance to Medical Officers to sum up the legal position emerging from the same in the following words.

"29.1. Disability pension to be granted to an individual who is invalided from service on account of a disability which is attributable to or aggravated by military service in non-battle casualty and is assessed at 20% or over. The question whether a disability is attributable to or aggravated by military service to be determined under the Entitlement Rules for Casualty Pensionary Awards, 1982 of Appendix II (Regulation 173).

29.2. A member is to be presumed in sound physical and mental condition upon entering service if there is no note or record at the time of entrance. In the event of his subsequently being discharged from service on medical grounds any

deterioration in his health is to be presumed due to service [Rule 5 read with Rule 14(b)].

29.3. The onus of proof is not on the claimant (employee), the corollary is that onus of proof that the condition for non-entitlement is with the employer. A claimant has a right to derive benefit of any reasonable doubt and is entitled for pensionary benefit more liberally (Rule 9).

29.4. If a disease is accepted to have been as having arisen in service, it must also be established that the conditions of military service determined or contributed to the onset of the disease and that the conditions were due to the circumstances of duty in military service [Rule 14(c)]. [pic]

29.5. If no note of any disability or disease was made at the time of individual's acceptance for military service, a disease which has led to an individual's discharge or death will be deemed to have arisen in service [Rule 14(b)].

29.6. If medical opinion holds that the disease could not have been detected on medical examination prior to the acceptance for service and that disease will not be deemed to have arisen during service, the Medical Board is required to state the reasons [Rule 14(b)]; and 29.7. It is mandatory for the Medical Board to follow the guidelines laid down in Chapter II of the Guide to Medical Officers (Military Pensions), 2002 - "Entitlement: General Principles", including Paras 7, 8 and 9 as referred to above (para 27)."

7. In view of the settled position of law on attributability, we find that the RMB has denied attributability to the applicant only by endorsing that the second and third disabilities i.e. '**Hyper Cholesterolemia (Old) K72.2,Z09.0**' and '**Coronary Artery Disease STE AWTMI (Old) 125.9,Z09.0**' are neither attributable to nor aggravated (NANA) by service on the ground of life style related metabolic disorder and onset of disabilities in May, 2006

and 20.07.2011 respective while posted in Peace location, therefore, applicant is entitled to disability pension. We are of the opinion that this reasoning of Release Medical Board for denying disability pension to applicant is not convincing and doesn't reflect the complete truth on the matter. Peace Stations have their own pressures of rigorous Air Force training and associated stress and strain of Air Force service. The applicant was enrolled in Indian Air Force on 07.05.1997 and the disabilities have started after more than 9 and 11 years of Air Force service respectively i.e. in the year 2006 and 2011 respectively. We are therefore of the considered opinion that the benefit of doubt in these circumstances should be given to the applicant in view of ***Dharamvir Singh vs Union of India & Ors*** (supra) and second and third disabilities of the applicant should be considered as aggravated by Air Force service.

8. The law on the point of rounding off of disability pension is no more RES INTEGRA in view of Hon'ble Supreme Court judgment in the case of ***Union of India and Ors vs Ram Avtar & ors*** (Civil appeal No 418 of 2012 decided on 10th December 2014). In this Judgment the Hon'ble Apex Court nodded in disapproval of the policy of the Government of India in granting the benefit of rounding off of disability pension only to the personnel who have been invalided out of service and denying the same to the personnel who have retired on attaining the age of superannuation

or on completion of their tenure of engagement. The relevant portion of the decision is excerpted below:-

“4. By the present set of appeals, the appellant (s) raise the question, whether or not, an individual, who has retired on attaining the age of superannuation or on completion of his tenure of engagement, if found to be suffering from some disability which is attributable to or aggravated by the military service, is entitled to be granted the benefit of rounding off of disability pension. The appellant(s) herein would contend that, on the basis of Circular No 1(2)/97/D (Pen-C) issued by the Ministry of Defence, Government of India, dated 31.01.2001, the aforesaid benefit is made available only to an Armed Forces Personnel who is invalidated out of service, and not to any other category of Armed Forces Personnel mentioned hereinabove.

5. We have heard Learned Counsel for the parties to the lis.

6. We do not see any error in the impugned judgment (s) and order(s) and therefore, all the appeals which pertain to the concept of rounding off of the disability pension are dismissed, with no order as to costs.

7. The dismissal of these matters will be taken note of by the High Courts as well as by the Tribunals in granting appropriate relief to the pensioners before them, if any, who are getting or are entitled to the disability pension.

8. This Court grants six weeks' time from today to the appellant(s) to comply with the orders and directions passed by us.”

9. As such, in view of the decision of Hon'ble Supreme Court in the above case, we are of the considered view that benefit of rounding off of disability element @ 30% for life to be rounded off to 50% for life may be extended to the applicant from the next day of discharge.

10. In view of the above, the Original Application No. 576 of 2019 deserves to be allowed, hence **allowed**. The impugned orders dated 30.08.2017 and 20.09.2019, contained in Annexure Nos. 1 and 2 of Original Application, are set aside. The second and third disabilities of the applicant are held as aggravated by Air Force Service. The applicant is entitled to get disability element @30% for life which would be rounded off to 50% from the next day of his discharge. The respondents are directed to grant disability element to the applicant @30% for life which would stand rounded off to 50% for life from the next day of discharge. The respondents are directed to give effect to this order within a period of four months from the date of receipt of a certified copy of this order. Default will invite interest @ 8% per annum till actual payment

11. No order as to costs.
